

Peel & Seal® Packaging Update

Peel & Seal® Packaging Change to 36 Cartons/Pallet

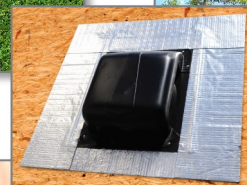

MFM Building Products will be changing the current number of cartons per pallet from 30 to 36. The change applies to all Peel & Seal® products:

- Peel & Seal®
- Peel & Seal® Shrink-Wrapped Rolls
- Peel & Seal PowerBond® White
- Peel & Seal PowerBond® White 250

New Packaging Dimensions:

- Pallet Size: 41.50" x 41.50" x 41" Tall
- Pallet Weight: 1,188 lbs
- Cubic Volume: 40.86 Cubic Feet

MFM plans to implement this change by December 1, 2020. Freight paid will also change from 30 cartons to 36 cartons on straight pallets of Peel & Seal®.
